

Please do not let the LPFM stations take priority over my current FM Translator. We listen to KLOVE radio everyday. My family would not be the same without it.

Our children love it and if it were gone we would not have a radio station that we feel is appropriate for kids. KLOVE is a valued service in our community.

KLOVE

keeps us connected with other christians in the nation by letting us know what is going

on in the Christian community as a whole. KLOVE is a huge blessing to our family and

friends and serves the whole community by having a radio that is appropriate for kids, takes prayer requests and a place to go to that is uplifting and provides hope for

thousands of people.
